

# Workspace Modes A and B

In Workspace Mode, any combination of speakers may be employed for use during either mode **A** or **B**, or both together. The workspace uses may include audio media, visual media, live performers, and any or all in combination.

OPEN AREA  
21'-4" X 28'-10"  
SUSP ACOUS  
CEILING  
@ 11'-6"

OPEN AREA  
22'-2" X 42'-11"  
SUSP ACOUS  
CEILING  
@ 11'-6"

When using either A or B exclusively, it may be desirable to have acoustic separation. Perhaps we could have a moveable acoustic partition here?
